

Czechia-Taiwan Fintech Webinar 2022

✚ Background information :

To promote fintech exchange between Taiwan and the Czech Republic, Taiwan's FinTechSpace and the Czech Economic and Cultural Office are jointly holding this international fintech webinar, and have invited competent authorities as well as the Czech Fintech Association, financial institutions, and startup firms to take part. By exchanging information at this webinar on our respective fintech capabilities, policies, ecosystems, and advisory resources, we seek to encourage outstanding startup teams and financial services firms to seize upon international trends, strengthen substantive exchanges, and generate expanded business opportunities.
